

Safecall International Phone Numbers

This is a comprehensive list of all of Safecall's International Freephone/Toll Free Phone numbers.

Please note that the number will only work within the country it is listed against.

There maybe mobile access restrictions from certain countries.

Where there is a shared cost number, the caller will be charged cost of local call, Safecall will pick up the cost of the international leg of the call.

Any number starting +44 is a fully chargeable call, the caller can ask for a call back.
